Indian festivals and other events in June

Father's Day: June 20th (Throughout the world)

Father's Day is an occasion to mark and celebrate the contribution that your own father has made to your life. Many people send or give cards or gifts to their fathers. Common Father's Day gifts include sports items or clothing, electronic gadgets, outdoor cooking supplies and tools for household maintenance.

Bollywood Shake wishes all the fathers a Very Happy Father's Day!

Ganga Dussehra: June 11th (North India)

The festival is devoted to the worship of pious Ganges. It is greatly celebrated in places, blessed with the pristine flow of this holy river. In the evening, the Ganga Ghats sparkles with beholding the glowing clay lamps.
